

# Functions at Sanders

## ***The Sanders Experience***

Sanders Waterfront Restaurant has been an icon for a la carte and functions for nearly 20 years.

The restaurant is located on d'Albora Marina which is in the inner west suburb of Cabarita (approx 15km from the CBD or Parramatta). We are a casual fine dining waterfront restaurant specialising in red meat, poultry, seafood and vegetarian dishes served with a modern Australian influence.

Sanders sits on top of the water, offering its patrons an unobstructed 270 degree view up and down Sydney Harbour and recently we underwent a major renovation ensuring that the experience of dining at Sanders just went to the next level.

Food is our passion and for over 15 years the SMH Good Food Guide has listed Sanders as a venue of choice for those who appreciate a gourmet delight.

Regardless of the nature of your event the team at Sanders has the expertise and flexibility to make your next function one to remember.

Sanders cater for all business and personal events up to 120 seated and 200 standing. If you have a smaller function we can package up an exclusive or non exclusive function from as little as 15 guests.
