Terms and Conditions of Pre-Order

The purpose of a pre-order is to ensure that we can accommodate large bookings with minimal waiting times for ordering and service. By placing a pre-order you have advised us of your group's selections. Although preparations are made for your arrival, food quality is of the utmost

importance to us and therefore final cooking and plating of dishes is only completed upon your arrival and payment. It is therefore imperative that you adhere to your specified booking times.

1. Please specify all options with your meal order including:

- Steak cooking preference
- Sauces
- Omissions (eg no tomato with burger etc.)
- Entree or Main size if offered on menu
- Any side dishes required

2. Please ensure all orders are legible.

3. Please ensure all guests are identified by first and last name.

4. All pre-orders must be advised no later than 11am on the day of the booking.

5. Any changes to the pre-order must be advised at least 30mins prior to arrival.

6. All orders must be paid for upon arrival unless pre arranged.

7. All items will be served approx. 15mins after your group's arrival and payment.

8. Any additional orders with the booking will be treated with priority but must be subject to availability and waiting times at that period.
